You know you know have a one-in-two chance of heads coming up.

Typically you won't know the exact odds because sporting events aren't

that predictable, but this is a key principle to keep in mind when evaluating a

bet, especially on a moneyline.

You'll need to use the same methods as with email to be able to contact peop

Get your customers to love your brand, and I promise, you'll get reviews on

autopilot.

The best way get more reviews on Amazon is, first, to sell a high-quality and me

morable product.

The average review rate for Amazon products is around 1-2%. Meaning, every 100 s

ales you make, you should expect 1 or 2 reviews.

With an effective strategy, you can easily get a sales to review ratio of 5% a

veraging approximately 20 sales per review on Amazon.
